Available packaging:

15.0 kg

Product description

Fytolin Fibre MASH is a tasty, grain-free herbal mash. It is very suitable for wet feeding as a supplement to the Fytolin products.

With Fibre MASH, you can offer your horse a healthy treat without burdening the digestive system. Fibre MASH is also very suitable for mixing less palatable products.

The mash is ready to feed immediately after mixing with water. If using warm water, allow it to cool first. Wait 10–15 minutes for a smooth, even mash. When using cold water, this may take a little longer.

Feeding advice

- Daily 50 - 250 g / 100 kg horse body weight
- The total proportion of roughage and Phytolin Fibre should be at least 2 to 2.5 kg per 100 kg of the horse's body weight.
- The daily recommended amount is a guideline. The daily
