

480 pet swine pellet extra (5mm)

complete pellet. For all (mini) pigs and pot-bellied pigs from young till old

Available packaging:

20.0 kg

Feeding advice

- 1030 alfamix swine and 480 pet swine pellet extra are complete feeds, supplementing is not necessary, but may be done
- do not feed any fat or sweet food and very limited leftovers
- supplement possibly with bread, corns or hay
- if the pigs have no grass or hay available, supplement them daily with greens. Greens have a positive influence on the intestinal flora and stimulate the digestion
- the amount of feed is dependent on the level of activity, ambient temperature, age, supplements and physical condition. Guideline 1030 alfamix swine: - large breeds: daily about 1.5% of their bodyweight - smaller breeds: daily about 3.5% of their bodyweight
- feed piglets 1030 alfamix swine as soon as they can eat solid food while still suckling

Composition:

barley, maizemash, maize gluten feed, rape seed extracted, linseed fibers, apple molasses, beet pulp, soybeans toasted, alfalfa, wheat, shell grit, maize
