Available packaging:

20.0 kg

Product description

Fyto FORM is a high-quality sport muesli for coldblood horses. Very suitable for horses that have to deliver (top)sport performances and have to get and stay in optimal condition. Fyto FORM contributes to a balanced energy supply that ensures minimal buildup of lactic acid during (heavy) performance.

Feeding advice

- Give daily 600-1000 grams of 231 Fyto FORM per 100 kilograms of body weight
- Also suitable for combining with Fyto NOVA
- The daily recommended amount is a guideline, adjust the daily amount of feed according to your own experience
- Make sure there's always enough fibrous hay and unlimited straw
- After feeding, wait at least one hour before working/riding
- After work, wait at least one hour before feeding
- Always provide fresh drinking water
