- **High-quality proteins: Fibre ALFA contains a high protein content to support muscle development.**

Available packaging:

20.0 kg

## Product description

The 2371 Fytolin Fibre ALFA is a supplemental alfalfa pellet specifically designed to enhance the intake of high-quality protein without a high energy content. This naturally protein-rich alfalfa pellet supports muscle mass development in horses.

## Feeding advice

- Feed 75 - 200 g of 2371 Fytolin Fibre ALFA daily per 100 kg of your horse's body weight.
- Ensure that the total share of forage and Fytolin Fibre is at least 2 to 2.5 kg per 100 kg of your horse's body weight.
- The recommended daily amount serves as a guideline and can be adjusted based on your horse's needs.

## Composition

alfalfa
