Product description

Fytolin Fibre FORCE is a balanced fibre pellet that's highly suitable as a complete supplement to roughage.

It contains all the necessary vitamins and minerals to meet the horse's basic needs. With added linseed as a source of Omega-3 for a shiny coat. The ingredients are pressed into a special pellet shape to stimulate chewing.

Feeding advice

- Daily 50 g / 100 kg body weight horse
- Optionally supplement with 37.5 g Equilin BASICs / 100 kg body weight in case of muscle problems, coat and hoof problems, intestinal problems, improving stamina, nervous horses & stomach problems or for extra support of the liver and immune system.
- The total proportion of roughage and Phytolin Fibre should be at

Questions about this food?

least 2 to 2.5 kg per 100 kg of the horse's body weight.

- The daily recommended amount is a guideline. The daily recommended amount depends on breed, activity, condition, age, ambient temperature and on the amount/type of roughage. Therefore, look carefully at your horse and adjust the daily amount of feed as you see fit.
- Sufficient fresh drinking water
