Varied fibre muesli

- The fibre structure stimulates chewing and active digestion
- Supports the natural intestinal flora
- Contains 4% sugar and 7% starch

Available packaging:

15.0 kg

Product description

Fytolin Fibre MUESLI is a varied fibre muesli. It is suitable as a complete supplement to roughage.

The fibre structure stimulates chewing and active digestion. Supports the natural intestinal flora.

Feeding advice

- Daily 250 g / 100 kg body weight horse
- The total proportion of roughage and Phytolin Fibre should be at least 2 to 2.5 kg per 100 kg of the horse's body weight.
- The daily recommended amount is a guideline. The daily recommended amount depends on breed, activity, condition, age, ambient temperature and on the amount/type of roughage. Therefore, look carefully at your horse and adjust the daily amount of feed as you see fit.
- Sufficient fresh drinking water.
