15.0 kg

### Product description

Fytolin Fibre SENIOR is a complete senior muesli that provides the aging horse with all the necessary nutrients. With Fibre SENIOR, you can offer your senior horse all fats, proteins and essential amino acids it needs.

The high fibre content stimulates an active digestion. To ensure that the horse can continue to eat Fibre SENIOR up to an older age, Fibre SENIOR can be fed both dry as a muesli and wet as a mash.

### Feeding advice

- Daily 500 g / 100 kg body weight horse
- The total proportion of roughage and Fytolin Fibre should be at least 2 to 2.5 kg per 100 kg of the horse's body weight.
- The daily recommended amount is a guideline. The daily recommended amount depends on breed, activity, condition, age, ambient temperature and on the amount/type of roughage. Therefore, look carefully at your horse and adjust the daily

Questions about this food?

amount of feed as you see fit.
