

5067 rodent mouse chunk (12mm)

complete 12 mm chunk with extra protein. Suitable for pregnant and lactating animals, young mice and show animals

Available packaging:

20.0 kg

Feeding advice

- 5067 rodent mouse chunk is more suitable for animals which are being bred
- feed about 10 grams per mouse a day, but not more than they can eat
- feed preferably no supplements – it could upset their digestion
- give fresh water daily
