

## 716 fancy chicken breeder mash

fancy chicken breeder mash complete mash for hens fully laying, at least 6 - 8 weeks before you gather the hatching eggs, and for cocks

Available packaging:

20.0 kg

### Feeding advice

- keep the breeding pens in perfect condition with 716 breed brood toom grain or 717 breed brood toom grain
- do not add anything to prevent fatty deposits. Slender hens start laying more easily

### Composition:

maize, soya dehulled extracted toasted, wheat, maize gluten feed, alfalfa, shell grit, lime stones, rape seed extracted, soja oil, brewer's yeast, lecithin
